## **“2008 NRA’s Outstanding Club of the Year”**

# **JANUARY 2010 NEWSLETTER**

**MEETING NIGHT CHANGES** **Effective immediately, the meeting nights are changing at the Club. The General meetings will be held the second Thursday of each month and the Trustee meetings will be held the third Thursday of each month.**

**PROPOSED NEW MEMBERS** . Mark Engle – Navarre; George and Joy Burch, Zachary Burch - Canton

**NEW MEMBERS** Darrin Kuczynski, Shannon Young – Dover; Richard Brown – Louisville; Troy and Kathryn Thompson – Sherrodsville; Chad & Sascha Durben – Newcomerstown; Mark & Heidi Fowler – New Philadelphia; Timothy & Michele Timberlake Jr – Carrollton; David Good – Minerva

**LEFT THE RANGE** Our thoughts and wishes for better days ahead go out to the families of Caretaker Jim Besser and Earl Lorenz. They will be missed more than we know.

**THANK YOU** A special THANK YOU to Bob Ellwood, Max Allen and Dave Engelhart, outgoing Trustees who have given so much to the club over the past several years. We couldn't have done it without all of you. We can only hope that now you will all have much more time to come out and shoot! See you on the ranges.

**JIM BESSER** For approx the last six years, Jim was a constant fixture at the Club not only in his position as Caretaker of the Club but also as an unofficial ambassador for our Club. Jim said often in his last year fighting the battle of his life that he never knew he had made so many friends here and touched so many lives. It was heartening to see so many people step up to help another. As Jim said, “You know who you are and it means so much”. We wish you peace now Jim. We will watch over the Club and you can rest. We will keep the coffee pot on.

**ELECTIONS** Thank you to each of these gentlemen who stepped up to lead this Club into the next decade. Derek (Colt) Albright was voted in as President for another term. Jeff Roth was voted in as Vice-President for another term also. Scott Reynolds decided to step down as Club Treasurer and we appreciate all of his time and effort in a very involved position. Bill Tinlin was voted in as the new Club Treasurer. Fred Turner was voted in as Club Secretary with his “right-hand man” in Phil Kinsey to share the load. New Trustees voted into three-year terms were Carl Baker, Kevin Sedares and Jim Eichel. Please give these gentlemen your utmost cooperation and assistance to help carry this Club forward.

**ILLNESS** Best wishes go out for full and speedy recoveries to Pat Morris and any other member who may be in need.

## **MEMBERSHIP IDS MUST BE DISPLAYED WHILE ON CLUB PROPERTY**

**KIDS ON TARGET NEED YOU!** If you are involved in archery we could use your help this summer. This past year we added archery to the Kids' events through ODNR's Youth Trailer. We are now going to add our own bows and arrows to ODNR's effort by increasing the archery offering. We need three individuals to act as range instructors and man the three archery stations. If you would like to help, please call Gary Smith at 330-897-2804.

**PHOTO WANTED** The son of one of our founders, Warren Tonkin, would like to have a photo of our original charter to give to his grandsons. Warren was the creator of our first Charter which was drawn by hand with pen and ink on linen at the founding of our club. This linen was a wall-hanging charter that included drawings of our Indian logo and the frontiersman. The last time John Tonkin saw the linen was at the Scroenbrunn Club location. If you have a photo of the charter or any other printed material on it, please contact John Tonkin at 513-696-8047.

**CLUB HISTORY** It is now complete and on our website. You can download it and get a copy at any public library by going to [www.tuscorifle.org](http://www.tuscorifle.org). Viewing the history at a library is free. Libraries charge a nominal fee is you would like a printed copy. We would like to take this opportunity to thank all the members for their input and help on this project. Note – it is attached to the email version of this newsletter also.

**LOST AND FOUND?** Large tools were sitting outside of the upper kitchen in the last several weeks but have now disappeared. These were large tools to work on the ranges. Hopefully someone placed them somewhere for safekeeping. If you have any information on these, please contact Mark Urbank at 330-715-2861.

**THANK YOU** Thank you to Matt Grant who has plowed our roads once again for us this winter. Matt has been making driving during the winter possible at our club for years and we all appreciate it.

**CONCEALED CARRY RENEWALS** There seems to be much confusion over the renewal of CCW permits and the required classes that go along with them. The Ohio Revised Code states Permits issued prior to March 14 of 2007 are valid for 4 years, permits issued after March 14 of 2007 are valid for five years and Permits will then continue to be renewed every five years. Competency classes are valid for six years from the date of completion. Classes must be renewed just like permits. If classes are renewed prior to their six-year expiration, a two-hour refresher course will be valid for an additional six years. If six years has expired from the date of completion, the full twelve-hour course must be completed prior to renewing the Concealed Carry permit. It is your choice which route to follow, either a 2-hour refresher every six years or a 12 hour course every 10 years. You can take a renewal course from any instructor, regardless of where your original certificate came from. If you still have questions, contact Kimberly Hobart at 330-206-5802.

**22 FUN SHOOTS** They're back! Shake those winter blues and join us at the 22 Fun Shoots starting January 6<sup>th</sup> and continuing every other Wednesday night through March. Any 22LR handgun with iron sights will do. No scopes allowed. \$1.00 per shoot up to 5 shoots per night. Shooting starts at 7:00 p.m. Contact Kal Potter for more information at 330-339-3937.
