## **MEMBERSHIP ID'S MUST BE DISPLAYED WHILE ON CLUB PROPERTY**

FROM THE PREZ: I want to thank those who came out April 10 for our spring cleaning. Your efforts gave us a head start on the 2010 season, and what a season it is. New events such as the Appleseed Project, Grant Timberlake's defensive classes, IHMSA Internationals, and proposed family picnic day will add to an already exciting schedule bringing new faces to Tusco. It is great to see the pride and enthusiasm within the membership. Keep in mind, it is YOUR responsibility to be safe and clean up after you shoot and remember to thank those who volunteer their time keeping Tusco a great place to go. The volunteers were: **Colt and Hunter Albright, Kevin and Kai Sedares, Scott Reynolds, Tom Perkowski, Gary and Derek Smith, John Bosio, Ron Carpenter, David Good, Mark Urbank, Jim and Vincent Giument, Andrew Ireland, Dick Swigart, Wendell Shaffer, Dave Eckert.**

### **April 15, 2010 TRUSTEE MEETING**

**Attending:**      **Carl Baker**      **Jeff Roth**      **Dave Eckert**      **Bill Tinlin**      **Tom Meyers**

**Jim Eichel Fred Turner Mike Legg/Guest Mark Urbank Kevin Sedares**

The meeting was open at 7:08 p.m. by **Vice-President Jeff Roth**. President Colt Albright was unable to attend because his Father is very ill in Aultman Hospital.

**Bill Tinlin** will send a list of new members, who join the club, monthly, via email to Phil Kinsey to add to the regular monthly meeting minutes.

**Mike Legg** is our new gun raffle coordinator. Discussion was held on the guns that are selected and how we pay for them. Discussed where ways to motivate the members to sell more tickets; we all agreed to select the best vendor with the best guns and not necessarily the lowest bidder.

The following was passed to promote this raffle: Two {2} tickets will sell for \$25.00, Four {4} for \$50.00, etc. {One {1} for \$15.00} **Tom Meyers** motion and seconded by **Kevin Sedares** to accept this new price. It was passed by all.

Members can sell ten tickets and receive one ticket for free. The top three {3} sellers will win appropriate prizes. A motion was made by **Kevin Sedares**, seconded by **Jim Eichel** and passed by all to accept the program by the sellers.

**Mike Legg and Kevin Sedares** will review the new proposed gun list and have it ready by the next monthly meeting {May.}

**Bill Tinlin** stated that, if this price change proves satisfactory, we can continue this into the future years.

April 24<sup>th</sup> is the NRA Banquet at the New Philadelphia Elks. We need help in setting up.

The Boy Scout shoot is April 24<sup>th</sup>.

Kevin Sedares will add a "Did You Know" column to the newsletter.

The IHMSA International shoot is looking for someone to run the kitchen July 22<sup>nd</sup> through the 31<sup>st</sup>.

We have received some literature on putting a watermark on the member's card. The price is \$.06/each. Nothing was done.

Sunday, April 10<sup>th</sup>, a very good productive safety meeting was held.

**Carl Baker** inquired about the new member packets being made up. **Vice President Jeff Roth** stated that they are now made.

**Dave Eckert** requested more forms to be placed at the desk in the clubhouse to sign up new members. **Jeff Roth** stated this will be taken care of.

No Four {4} wheel vehicles are to be on the club property unless it is to serve the range to set targets, clean up, etc. No riding around on the property.

**Tom Meyers** will install signs that the chains across the range entries be replaced after using the range, this is for range safety purposes.

**Jim Besser, Jr.** was contacted by the club about Jim Sr.'s truck we purchased for range usage. This is still tied up in probate.

Due to other obligations, the trustees meeting must be changed to another time. Suggestion was made to meet prior to the regular monthly meeting. **Vice President Jeff Roth** will have **President Colt Albright** decide the night for the meeting.

Candidate Jeanette Moll requested an ad space in our newsletter for her political campaign. We will rent her or anyone an ad space as long as we do not endorse anyone or it is not detriment to the club.

**Ron Carman** wants to move earth at the Trap Range as step one, then construct a building as step two. It was advised by all to have **Frank Bear**, a club member, surveyor and engineer, to layout a proposal so we can obtain earth-moving costs. The club has a problem with the Trap Range involved with a wetland.

**Jim Eichel** stated we need money for the new Trap facilities. It was agreed that 10% of all the Trap money taken in by ear marked in the club treasury for the Trap Range improvement. This will be the first part of the step-by-step Trap Range

Improvement.

Every member is invited, bring a covered dish. Please call Jim at {330} 432-7179 for RSVP, to enable him to have the right amount of drinks, etc. available. Carl Baker motioned and seconded by **Tom Meyers** to purchase the hog and drinks and it was passed by all.

**Dave Eckert** will supply all pop at \$15.00 per case and bottled water at \$11.00 per case.

If you want a membership card for your spouse, contact **John Craig** and he will issue you one.

**Marc Urbank** requested more port-a-johns will be required for the IHMSA International Shoot in July. He also stated some IHMSA shooters will be camping at the Trap Range and electrical hook ups may be required.

At 9:08 p.m. **Dave Eckert** motioned the meeting be adjourned and seconded by **Jim Eichel**. Meeting adjourned.

**A note from Kevin:** I have returned back to full duty from my knee surgery and my time is a lot more limited now with working afternoon shift and extra jobs. Please bear with me as I take a while longer to return emails and relay information to all. I do receive all emails immediately on my Blackberry, and I will address any issues or questions received, but I have to wait to get home to my laptop to take care of most business. Thanks for your patience,

Kevin
